Call for Participation: Online survey on international assessments in schools

Dear Colleagues,

We would like to invite you to participate in an online survey on international assessments in schools.

This survey is part of a study conducted by Rie Kijima, a recipient of the Mary Hatwood Futrell scholarship. The objective of her study is to understand the implications of international assessments on education, teachers and teaching practices around the world.

We encourage union leaders and educators to fill out the online survey and share it widely with other colleagues.

The survey is available in six languages (English, Spanish, Russian, French, Chinese, and Arabic) and can be accessed via the following link:

https://stanforduniversity.qualtrics.com/SE/?SID=SV_6nULkGMuRdcw5IV

Please complete the survey as soon as possible and no later than 15 October 2015.

We look forward to receiving as many survey responses as possible in order to ensure that the educators' voices are well represented in this important study!

Yours sincerely,

Fred van Leeuwen
General Secretary
