

## **Master made in Germany – Career at home!**

### **Mummert Scholarships for the Executives of Tomorrow from Central and South Eastern Europe**

The Rochus and Beatrice Mummert Foundation awards in cooperation with the Robert Bosch Stiftung annually up to 22 scholarships to current students of economics, business administration or engineering from Central and South Eastern Europe. The scholarships cover two years of study at the Master degree level at either the Aachen University of Technology or the University of Cologne.

#### **Key requirements for a Mummert Scholarship**

- Bachelor degree in economics, business administration or engineering from one of the universities in the target countries of the Mummert Foundation at the beginning of the studies in Germany
- fluency in German
- leadership potential
- willingness to return home after graduation in Germany
- no older than 24 years at the beginning of studies in Germany

#### **What does the Mummert Foundation offer its scholarship holders?**

- monthly scholarship amounting to 800,00 Euros in the first academic year and 825,00 Euros in the second
- allowances for accommodation, travel expenses, health insurance, and study materials
- laptop computer and printer for own personal use

#### **Special features of the programme**

- traineeships in various German companies
- personal mentors
- individual academic support from guest university
- skill seminars
- colloquia with leading representatives from the areas of politics, culture, education, and research, as well as from business and industry
- plant visits
- joint visits to cultural events

#### **Application period:**

September 1 – November 30, annually, with studies beginning in the winter semester of the following year
